## AWARD

The applicant had preferred a claim application before this Industrial Tribunal-cum-Labour Court on 5th July, 2017 under Industrial Dispute Act and Payment of Wages Act claiming there the recovery of his unpaid and withheld wages w. e. f. June, 2016 to October, 2016, and April and May 2017 along with other allowances, dues and compensation for unnecessary withholding his legal dues/wages and other allowances. The applicant also claimed his termination by the non-applicants as illegal and unwarranted and not in accordance of the law. The claim application preferred by the applicant was supported with the documents viz. letter of appointment, salary statement, conversations made between the parties and all other attached documents. The scrutiny of the claim application supported with other documents and papers revealed that the applicant had been appointed as a "Area Sales Manager" by the non-applicant's company in the year 2013 for the sale and promotion of their medicines and products and his place of posting was made at Srinagar with jurisdiction to whole Valley. The applicant without any far and fear worked for the non-applicant's company and to the utmost satisfaction of his bosses and authorities without any sort of complaints or objections but unfortunately Valley of Kashmir witnessed a terrible unrest in the year 2016 and all kinds of Business's, School's, Colleges, Government Offices, Shops and Establishment, Transport etc. got affected with continuous curfew, restrictions and hartals.

The life in every sphere got stand still with no signs of free movement and everybody was confined within the four walls of his place of residence.

No. 26-4] The J&K Govt. Gazette, 24th Sept., 2020/2nd Asv., 1942. 3  
The applicant also got affected with the uninterrupted curfew, restrictions and hartals and could not move around in connection with the business of the non-applicant otherwise also the applicant's movement could not be fruitful because of the closure of every shops and establishment during the above mentioned period. This process of unrest and terrible turmoil continued for a couple of months i. e. from June to September/October, 2016 but after situation started to normalize and life to start come back in motion everybody came out of their houses/places and to continue the chorus of their life. Accordingly, the applicant also started to move and do his duty. Then the applicant demanded his monthly salary/wages for the period of unrest from his employer but they refused to release and pay the salary for these months and other allowances in the pretext of "No Work No Pay". Instead to consider the reasonable demand of the applicant he was transferred to Delhi and his release of salary was made conditional and proportionate to his annual target of business which was not acceptable to the applicant for the reasons of in congenial atmosphere in the Valley and being the elder son of the family and shouldering the responsibilities of his old age parents to look after in the volatile atmosphere in the Valley with the result the applicant was asked to stop working for the company w. e. f. 11 May, 2017 through Email message dated 11-05-2017 at 2.52 pm by Mr. Surya Prakash with copies sent to other authorities of the company Mr. Harvinder chaogttra and Vikas Singh at Jammu office for their information.

The applicant tried to convince his employers about the situation but all in vain and after he could not get any relief he was constrained to seek the justice by knocking the doors of this Tribunal/Court. The case was registered and the non-applicants were summoned to file their response which they did. At the very first they pleaded that the applicant is not a "workman" as defined in 92(s) of the I. D. Act, 1947 and this court therefore lacks jurisdiction to take cognizance of the instant case. Further they added that the applicant had already been paid salary for the months of June and July and he cannot claim the wages and allowances of other months as he did not work for all these months. Therefore, the maxim of "No Work No Pay" will apply. To counter it the applicant had maintained that he was appointed as "Area Sales Manager" that was on paper but actually he was simply a "Sales Representative" and he was not answerable before any authority and nobody was working under his subordination and control. He was singly handling the whole affairs of the company and he had nothing to do with any cash transaction etc. but only to contact the Medical Officers

4 The J&K Govt. Gazette, 24th Sept., 2020/2nd Asv., 1942. [No. 26-4  
 in the hospitals and to persuade them about the medicines to prescribe to  
 the patients. So in this context he refused to have worked as a "Area Sales  
 Manager" but as a simple "Sales Worker". Therefore argued and prayed  
 that he is a worker and is covered under the definition of "Workman" as  
 defined in the I. D. Act, 1947. Further also he had maintained all the words  
 and expressions used but not defined in Sales Promotion Employees  
 (Conditions of Service) Act, 1976 and defined in the I. D. Act, 1947 (14 of  
 1947) shall have the meanings respectively assigned to them in that Act.  
 Rule 22 (2) of the Sales Promotion Employees (Condition of Service) Rules,  
 1976 make it clear that the provision of ID Act, 1947 (14 of 1947) as in  
 force for the time being, shall apply to, or in relation to, Sales promotion,  
 employees as they apply to, or in relation to, workmen within the meaning  
 of that Act and the purposes of any proceeding under that Act in relation to  
 an industrial dispute, a sales promotion employee shall be deemed to include  
 a sales promotion employ who has been dismissed, discharged or retrenched  
 in connection with or as a consequence of that dispute or whose dismissal,  
 discharge or retrenchment had led to that dispute. For the purposes of the  
 above quoted provision of law the applicant has referred S.2 (d) of the  
 Sales Pronotion Employees (Condition of Service) Act, 1975 whereunder  
 the terms of "Sales Promotion Employees" has been defined as under :

"Sales Promotion Employees" means any person by whatever name  
 called (including an apprentice) employed or engaged in any  
 establishment for hire or reward to do any work to promotion of sales  
 or business, both "Therefore with respect to the above quoted provision  
 of law he has clarified to be a "Workman" and not any manager etc."

Another objection raised by the non-applicants was that this Tribunal/  
 Labour Courts lacks jurisdiction to entertain application of the applicant  
 under section 33-c of the I. D. Act, 1947 because there are the appropriate  
 authorities to take cognizance of the case under the relevant Labour Acts.  
 In this context they have also maintained that the claim amount shall have  
 been subject matter under any settlement or award or agreement and this  
 court can't entertain the claim application under section 33-c(2) of the I. D.  
 Act, 1947. The applicant in his counter objection has stated that the instant  
 Industrial Tribunal/Labour Court constituted by the State Govt. of J&K  
 long back four decades ago has been vested with all the powers as described  
 under schedules 2 & 3 of the I. D. Act, 1947. Beside other powers which  
 are not mentioned in these above mentioned two schedules have also been  
 delegated to empowered to exercise. The claim application under section

No. 26-4] The J&K Govt. Gazette, 24th Sept., 2020/2nd Asv., 1942. 5  
33 (2) is maintainable for the reasons that the amount or benefit which is to be computed in terms of money can be assessed or determined by Labour Court. The applicant has filed his claim application in pursuance to this provision of law. Besides the application has also been filed under section 15(2) of the Payment of Wages Act, 1936 for the release and payment of his withheld wages along with all other allowances/benefits permissible in terms of his employment letter and confirmation of his employment and wages/monthly salary.

After objection/counter objection the following issues were framed :ô

- (1) Whether this Court/Tribunal has the jurisdiction to adjudicate upon the matter under trial ?
- (2) Whether the jurisdiction of this Industrial Tribunal Court is restricted only to admitted claim under settlement between the parties ?
- (3) Whether the applicant is entitled to the wages and other benefits during the period of turmoil in the Valley from July, 2016 ?
- (4) If so, to what extent.

And accordingly, the applicant was directed to produce his evidence in support of his claim application and other enclosure documents. Three witnesses including the applicant was examined on affidavit. In his examination and cross-examination they have deposed that the applicant was employed by the non- applicant company and have worked with them for a long period of time but his wages and other allowances/benefits have not been paid w. e. f. June, 2016 to October, 2016 and April and May, 2017 and have been withheld for no reason and fault on the part of the applicant. The two witnesses Mr. Suhaib Khursheed and Mr. Tahir Ahmad Khan who too are working with some pharmaceutical companies have stated that they have been paid wages/salary for the period of turmoil which the Valley witnessed terribly in the year 2016 though face the same situation as the applicant had but gracious enough their employers have understood the magnitude of the violence in the year 2016 did not stopped their salary. Therefore, have requested and prayed for justice for the applicant as he himself has not abandon the work but the circumstances prevailed at that period of time constrained every body including the applicant not to venture out or to go for any job or service or work.

6 The J&K Govt. Gazette, 24th Sept., 2020/2nd Asv., 1942. [No. 26-4

The respondents did not adduce any evidence and the file was posted for the arguments. The learned counsel of the applicant file detailed arguments in support of his claim application whereas the respondents did not. The examination and scrutiny of the case file along with the documents and papers placed on the file reveals that the applicant was employed by the respondents company as "Area Sales Manager" for the sales/promotion of their products and pharmaceutical items and his place of posting was at Srinagar but actually the applicant worked as a sales promotion employee/sales representative because he was not answerable before anyone at Srinagar nor anybody was working under his subordination or supervision. So to call him, as a Sales Manager or to bring him under the term managerial or administrative or supervision, category is not correct but the applicant was a medical representative or a workman of the pharmaceutical company. As already discussed above in lights of Sales Promotion Employees Act, 1976 the medical representative is a "Sales Promotion Employee" and has been brought under the purview of the term "workman" as defined in S.2(S) of the I. D. Act, 1947 in case he has been discharged, dismissed or retrenched. Therefore, the confusion as to the above matter has been settled down and rested by the enactment of the above stated piece of legislation and therefore the applicant is undoubtedly a "workman" and has rightly invoked the jurisdiction of this Labour Court. Further another point regarding the filing of case under section 33-C(2) has also been fully discussed above need not be repeated again. However the reference of Bombay High Court of the year 2000 is referred to in this context. The Hon'ble Bombay Court in the case of Shantanu G. Joshi V/s. Hindustan Antibiotics Ltd., on June, 9-2009 equivalent citation : 2001(89 FLR, 430 : (2001) III LLJ223 Bon, R. M. Lodha, J has held that since the provision of I. D. Act, 1947 has been made applicable upon the sales promotion employees by virtue of the Sales Promotion Employees (Condition of Service) Act, 1976 the applicant is a workman and can file case under section 33-C (2) of the I. D. Act for assessment and valuation of his legal benefits and entitlements. In another case of M/s. Dolphin Laboratories Ltd. V/s Judge, Labour Court and another, 2001 the Rajasthan/C before whom the same question of non-payment of salary/wages had come under S/33-C(2) quantification and the legal benefits at the termination of service came for consideration. The Hon'ble H/C has held that the question of the applicant employment has remained undisputed fact but all questions of quantification of the amount due to the employ prior to the date of termination would fall within the ambit of execution

No. 26-4] The J&K Govt. Gazette, 24th Sept., 2020/2nd Asv., 1942. 7  
proceedings which is the nature of the proceedings before the Labour Court  
under section 33-C (2). No. error otherwise has been pointed out in the  
order made by the Labour Court. Accordingly, the appeal in the matter  
stands dismissed. Therefore, in pursuance of the above quoted judgements  
of the Honøble High Courts, the claim matter of the present applicant falls  
within the ambit of section 33-C (2) I. D. Act, 1947 and has therefore rightly  
invoked the jurisdiction of this present Labour Court. The issue No. 2 is also  
disposed off in favour of the applicant and against the respondent.

Now coming to the point raised by the respondent regarding øNo Work  
No Payö this court feels that this maxim is not applicable in the present case  
because it is not the applicant who has himself abandon the work but the  
circumstances and the situation prevailed at that time did not allow him to  
make a movement outside and go to the shops and establishment for the  
promotion of the business of the respondent and therefore the applicant  
cannot be debarred and denied from his legal dues on this account otherwise  
this will certainly amount to the punishment without any cogent reason and  
definitely amount to øUnfair Labour Practiceö on the part of the respondent.  
The applicant is therefore held entitled to his legal wages for the period as  
mentioned in his claim application along with other parts of the salary because  
that forms the part and parcel of his wages.

Regarding termination of service, the applicant was asked to stop his  
work with his employer via email message on 11-5-2017 by the authorized  
signatory of the company and this communication is part of the file clearly  
make it sure that the applicant has been terminated from his service w. e. f  
11-05-2017 and once a workman stand terminated can claim all his  
retrenchment/termination benefits and the other benefits available in other  
various labour laws which the applicant has validity disputed before this  
court. The Court therefore find no reason to discard or dismiss claim of the  
application. Therefore, decides the matter in favour of the applicant and  
against the respondent.

The court in pursuance of the above quoted facts, judgements of the  
Honøble Courts and the nature and circumstances which restricted the  
applicant to do the business of the respondent company for a certain period  
of time, holds the applicant claim as a right claim and held him entitled to all  
the legal dues and the legal benefits and the entitlement as claimed by him  
in his claim application. Accordingly to award is passed in favour of the  
applicant and against the respondent with the direction to deposit the decree  
amount of Rs. 5,71,097 (Five lacs seventy one thousand and ninety seven)

within a period of 30 days from the date of passing of this award failing  
which interest @ 9% will be laid on the decretal amount from the date the  
applicant has preferred his claim application before this court.

The case is disposed off with the passing of the above direction. Let  
the file be completed and award sent to the Government for its publication  
in the Government Gazette.
